

Is Home Care Right for Me?

A Caresify Home Care Guide to Choosing the Right Support for You and Your Loved Ones

There's No Place Like Home

At Caresify, we understand that home is more than just a place—it's where your memories live, your routines bring comfort, and your identity thrives.

Whether you're recovering from a hospital stay or looking to age in place with dignity, the right support can help you remain safe, independent, and connected to what matters most.

Discovering the Value of Home Care

If managing medications, keeping up with tasks around the house, or staying socially active has become difficult, Caresify Home Care may be the answer.

With customized services and programs like our CARE Activ™ for life enrichment, SAFE Steps™ for fall prevention, and the CAP – Caresify AfterCare Program™ for post-discharge recovery, home care becomes more than help—it becomes your wellness partner.

IS HOME CARE RIGHT FOR ME?

How Can Home Care Help You?

- Improved medication management and wellness tracking with Caresify360™ smart tools
- Support with daily tasks like bathing, dressing, cooking, and light cleaning
- In-home companionship that combats loneliness and supports mental well-being
- Safe transportation to appointments and community events
- Help caring for pets and managing errands
- Peace of mind for family members through reliable, professional care
- Post-hospital support through our CAP – Caresify AfterCare Program™
- Personalized care plans developed with your goals in mind.

Home Care Myths – Debunked

MYTH: Home care is only for seniors.

TRUTH: Caresify provides care to individuals 18 and older—from young adults recovering after surgery to older adults living with chronic conditions.

MYTH: I'll lose my independence.

TRUTH: With the right help, you actually gain more freedom to live how you want—safely and confidently at home.

MYTH: My family is trying to avoid caring for me.

TRUTH: Getting care allows your family to support you with love, while our trained caregivers handle the tough tasks.

MYTH: Too many strangers will be in my home.

TRUTH: At Caresify, we focus on continuity by matching you with consistent caregivers you can trust.

MYTH: Home care is too expensive.

TRUTH: Caresify helps clients explore affordable options such as long-term care insurance, Medicaid waivers, and veteran benefits.

Who Benefits from Caresify?

The majority of adults over 50 want to stay in their own homes. But challenges such as mobility issues, memory concerns, or recent medical events can make that difficult.

Our personalized home care services are here to bridge that gap. Whether you need short-term recovery support or long-term companionship and care, Caresify offers compassionate solutions tailored to your lifestyle.

Through our **Circle of Care™**, we help individuals live with dignity, safety, and joy—right where they belong.

Could You Benefit from Home Care?

Check all that apply:

- I've had a recent fall or fear falling at home
- I forget to take medications or manage appointments
- I've been discharged from a hospital and need support recovering
- I feel isolated or have lost interest in social activities
- I have trouble managing personal hygiene or cooking meals
- I've been diagnosed with a chronic illness and need help managing symptoms
- I need someone to assist with errands, mobility, or companionship
- My family feels overwhelmed trying to support me alone
- I've noticed changes in my balance, memory, or overall wellness

Our care consultations are always free and personalized.**

Why Families Trust Caresify

Caresify Home Care is more than a care agency—we're your partner in navigating life's transitions. Each client is matched with a dedicated Care Coordinator, and your plan may include one or more of our signature programs: CDSP™ for dementia care, Post-Diagnosis Care™, and our Caresify360™ connected health support.

We coordinate with your existing providers, from doctors and therapists to hospice and community resources, to ensure you receive complete, compassionate care at every step.
